

## Columbia Care Awarded Cultivation License by West Virginia Office of Medical Cannabis

October 5, 2020

NEW YORK--(BUSINESS WIRE)-- Columbia Care Inc. (NEO: CCHW) (CSE: CCHW) (OTCQX: CCHWF) (FSE: 3LP) ("Columbia Care" or the "Company") announced today the Company has received a medical cultivation license from the West Virginia Office of Medical Cannabis. This license expands Columbia Care's capacity within the state, adding to its current hemp cultivation license.

"We are pleased and grateful to receive this cultivation license in the state of West Virginia," said Nicholas Vita, CEO of Columbia Care. "Columbia Care has always been driven by organic growth in most of our markets, and we are excited to add another state to our portfolio. We look forward to bringing our industry-leading services and full suite of premium cannabis products to the patients in the state."

Columbia Care was one of 44 applicants to apply for one of the 10 licenses awarded by the West Virginia Office of Medical Cannabis.

### About Columbia Care

Columbia Care is one of the largest and most experienced cultivators, manufacturers and providers of medical and adult use cannabis products and related services with licenses in 18 US jurisdictions and the EU. Columbia Care currently operates 99 facilities<sup>1</sup> including 76 dispensaries and 23 cultivation and manufacturing facilities. Columbia Care is one of the original providers of medical cannabis in the United States, and continues to deliver an industry-leading, patient-centered medicinal cannabis operation that has quickly expanded into the adult use market as a premier operator. The company currently offers products spanning flower, edibles, oils, and tablets, and manufactures popular brands including Amber and Platinum Label CBD. With more than four million sales transactions since its inception in 2012, Columbia Care is known for setting the standard for compassion, professionalism, quality, care, and innovation in the rapidly expanding cannabis industry.
