

Columbia Care Continues Florida Expansion with Two Dispensary Openings in Miami and Brandon

September 30, 2020

Two additional dispensaries bring the operational total to 12

MIAMI--(BUSINESS WIRE)-- Columbia Care, Inc. (NEO: CCHW) (CSE: CCHW) (OTCQX: CCHWF) (FSE: 3LP) ("Columbia Care" or the "Company") today announced the opening of two dispensaries in Florida – Miami Pinelake and Brandon. The Miami dispensary is located at 12083 SW 117 Avenue and will officially begin serving the community's medical cannabis customers starting today, September 30, 2020. The Brandon dispensary is located at 2116 W Brandon Blvd and will open its doors on October 1, 2020.

The Company's Lakeland cultivation facility is now producing at 100% bloom capacity, ensuring there is ample supply for the entire portfolio of Columbia Care's Florida dispensaries with a broad range of products, including a significant selection of smokable flower. Along with the GMP-certified facility in Arcadia, the Company is ideally positioned to perfect its production methods, ensuring that it can continue to produce the highest quality flower and products available in market.

"We are excited to continue expanding our services and products to Florida residents," said Arnetra Shettleworth, VP Operations of Columbia Care's southern region. "As of October, Columbia Care will have dispensaries in 12 locations across the state, making it one of Columbia Care's largest markets. We are committed to providing a best-in-class experience as well as a broad suite of product offerings, including our high-quality flower for patients throughout Florida and making a positive impact in the communities of Miami and Brandon."

Columbia Care has been serving Florida since 2019 when they opened their first dispensary in Gainesville. Both locations will be open Monday through Saturday from 11am – 6pm ET. Customers will also have access to curbside check-in and the Columbia National Credit Card, the first and only legal credit card for cannabis purchases, to facilitate seamless ordering and cashless transactions.
