NEW YORK--(BUSINESS WIRE)--Jan. 31, 2023-- [Columbia Care Inc.](#) (NEO: CCHW) (CSE: CCHW) (OTCQX: CCHWF) (FSE: 3LP) ("Columbia Care" or the "Company"), one of the largest and most experienced cultivators, manufacturers and retailers of cannabis products in the U.S., announced it has opened its newest Cannabist dispensary in Hampton, Virginia, located at 2400 Cunningham Drive, Suite 600. The location is the Company's 83rd active dispensary and the 34th Cannabist location in the U.S.

"Virginia continues to be a top market for Columbia Care, as we expand our footprint and increase access to the growing base of registered patients," said Jesse Channon, Chief Growth Officer, Columbia Care. "We chose this specific location in Hampton because of the growing patient population and the accessibility for the communities on the peninsula as we strive to serve all of Tidewater. We're thrilled to bring the Cannabist experience to more patients who are seeking this transformational medicine, and we could not have done this without the support of the local community, legislators and the Board of Pharmacy. We are incredibly grateful and look forward to the continued efforts to improve the medical cannabis program."

Cannabist Hampton will sell Columbia Care products including Classix, gLeaf, Hedy, and Seed & Strain. Columbia Care and Green Leaf Medical (gLeaf) are licensed to operate a market-leading total of 12 dispensaries in Virginia combined. The Company plans to open two more dispensaries in the coming months, pending regulatory approval. Columbia Care also has a fleet of delivery vehicles able to serve the entire state from its gLeaf locations.
